

Dairy Cattle Judging Clinic
At
Morrisville State College
Sponsored by:
Cornell Animal Science, PRO-DAIRY and Morrisville State College

May 10, 2008

Place: Morrisville State College Show Barn and Dairy Complex.

Date: May 10, 2008

Time: 10:00 A.M.

Judges and Instructors: Dr. Doug Waterman, Beth Keene, previous dairy judging team participants TBA

Objective: The objective of this clinic will be to teach and practice skills in dairy cattle judging. We will begin with slide presentations of breeds and classes of animals to teach basic concept and know how for dairy judging. The instructors will be using a slide presentation to talk about what to do and what not to do in dairy cattle judging, followed by real animals to teach about judging and oral reasons. The kids will then be divided up into groups to give oral reasons individually with a group mentor. This will be an opportunity to critique your skills in giving oral reasons and understanding the techniques used in presenting them. A CD of previous year's 4-H judging teams will be available to participants to listen to and practice from after the clinic. Hope to see all of you there.

Lunch and drink will be provided, asking for \$1 donation from each participant to help defray some of the cost.

Please return the bottom portion by **May 6, 2008 to Debbie Grusenmeyer, 272 Morrison Hall, Cornell University, Ithaca, NY 14853 or Email me at djc27@cornell.edu** with the information needed from the form below. Questions???? Call Debbie at (607) 255-0656.
