

**NYS 4-H Horse Program
“Driving Level”
Evaluation Form**

*** PLEASE NOTE:**

- This form to be used for all 4-H youth that have driving experience and are being evaluated for “CCE/4-H sponsored” programs and events.
- This driving level evaluation form is not required for club activities.
- A youth that has previously been evaluated to drive safely in the Walk/Trot/Extended Trot level does not need to be re-evaluated due to change of age from Jr. to Sr., unless there is a need for re-evaluation.
- Evaluation forms should be kept on file in county CCE/4-H offices.
- A youth that wishes to “move up” a level must be re-evaluated.
- Cloverbuds do NOT drive.

Potential Driving Levels:

NOTE: Cloverbud youths **do not** drive. Refer to Cloverbud policy.

Walk Only: (this level is for educational clinics only not for 4-H shows)

The child is driving with the assistance of a person riding in the cart, who is 18 years of age or older and has equine related experience. Youth must be capable of skillfully holding the reins in their hands. Youth will drive at the walk only. Headers will be required during line up (separate from the person riding in the cart). Youth will not be asked to back their equine. Youth at this level can not qualify for State Fair.

Walk/trot:

The child is seated and can drive safely at the walk and trot. The youth will be asked to back their equine. The youth must be able to control their equine in a group setting. Headers will be required during line up. Youth at this level can not qualify for State Fair.

Walk/trot/extended trot:

Youth must have mastered the skills of walking, trotting, and extending at the trot. The youth will be asked to back their equine. Youth at this level may need to do independent patterns or more complicated driving skills demonstrations, depending upon the classes they will enter. The youth must be able to control their equine in a group setting. Headers will be allowed during line up. Youth at this level can qualify for State Fair.

PLEASE NOTE:

Some suggestions for this child to work on:

_____ this child should not be considered to be a candidate to have a driving experience at this time.

PLEASE NOTE: It is recommended that there be a driving level evaluation committee consisting of 3 individuals with suitable horse experience (at least one person having suitable driving knowledge) to perform the evaluation. It is suggested that this committee consist of a 4-H leader, a parent of a 4-H youth and an instructor when possible; other possible combinations to be determined by the county Cornell Cooperative Extension Association or educator.

PLEASE NOTE: Youth should be evaluated on the horse/driver combination that they will be participating with whenever possible.
